<p>As you are aware unwanted or abandoned bikes in the stairwell can be a safety issue so can I ask tenants or residents to contact me to verify the ownership of their bike(s) that will help identify any abandoned or unwanted bikes.</p>		
<p>The City of Edinburgh Council (CEC) are requesting donations of old or unwanted bikes where Offenders on Community Payback Orders renovate / recycle them. They then give them away free to community groups or schools. CEC will also collect them free of charge</p>
